

# Interior Health

## Occupational Therapist | Permanent Part Time (0.80 FTE)

Interior Health invites applications for the role of Occupational Therapist (OT) – Rural Diverse Practice. This position includes acute, Long Term Care and community in three communities; New Denver, Nakusp and Kaslo.

Interior Health Occupational Therapists works independently and collaboratively as part of a multidisciplinary rehabilitation team providing occupational therapy services and guides the work direction of Rehabilitation Assistants. This position will build independence and improve quality of life for clients. You will be given the opportunity to work with multiple interdisciplinary teams and build your skill set.

This is a Permanent Part Time opening. Days of work are Tuesday to Friday from 08:00 to 16:00. The successful applicant will be able to work to their full scope in all areas of care (as above). Educational opportunities will be set up if required and there will be opportunities for the successful applicant to take on leadership projects, change management and transition to leadership positions.

We offer an exceptional employer-paid benefits package including dental and prescription coverage, group life, and extensive extended health plan. Relocation Allowance package may be offered with this position.

We are looking for an OT that has the desire to work to their full scope, enjoys working in multiple areas, and has excellent time management and problem solving skills. We are building a team that ensures the highest standards of patient and family care for rehabilitation services throughout our region. Come and join our expanding team! Apply Today!

### *Required Qualifications:*

- Graduation from a recognized occupational therapy program.
- Current registration with the College of Occupational Therapists of British Columbia (COTBC).
- Valid BC Driver's license.

We welcome applicants with provisional registration and upcoming Masters of Occupational Therapy new grads to apply!
