

Interior Health

Occupational Therapist Employment Opportunity | South Okanagan B.C.

[Interior Health](#) has a [permanent part-time \(0.90 FTE\) opening](#) within the South Okanagan. It is a position deployed within the two communities of Keremeos and Princeton, B.C.

Days of work are Mondays to Thursdays and every second Friday. This position will provide coverage until August 2023, or return of incumbent. It is a position is eligible for Interior Health's Employer paid benefits package (i.e. Medical, Dental, Extended Health); relocation allowance, and recognition of previous experience in determining starting salary.

What Will You Work On?

Become a member of the Long Term Care Teams at [Orchard Haven LTC](#), [Ridgewood Lodge LTC](#), and Princeton/Keremeos Home Care. Travel is involved with this position; access to a personal vehicle will be required.

How Will You Create Impact?

Providing therapy services to residents in LTC and providing Home Health support for adults to stay in homes as long as they wish. Also supporting patients with discharges from hospital safely.

How Will We Help You Grow?

Mentorship processes and informal supports with more experienced Occupational Therapists on the team. Significant time for orientation to the role and team. Opportunity for informal learning, e.g. in services. Opportunities to apply internally for new Occupational Therapist openings.

Who Are We Looking For?

An Occupational Therapist who can work autonomously and reach out for support when needed. Ability to organize time and prioritize work appropriately. An Occupational Therapist who desires to relocate for this position and seek other Occupational Therapy opportunities with Interior Health to remain employed with the South Okanagan Occupational Therapy team.

Qualifications: Current registration with the College of Occupational Therapists of British Columbia (COTBC).
