## **NOTICE OF ELECTION FOR SSOT COUNCIL - CALL FOR NOMINATIONS 2020**

### **Join SSOT Council this Fall!**

Four Saskatchewan Society of Occupational Therapists (SSOT) council positions will become available this Fall at the SSOT Annual General Meeting on Saturday, September 26.

We are seeking individuals for the following positions:

***President-Elect*** (one-year term followed by a one-year term as ***SSOT President***)

***Registrar*** (two-year term)

***Member-at-Large for Professional Practice*** (two-year term)

***Member-at-Large for Research & Education*** (two-year term)

### **What is SSOT Council?**

SSOT Council is the group of individuals who oversee the affairs of the Society by ensuring the regulation of all occupational therapists in Saskatchewan and by monitoring and promoting the profession of occupational therapy. Council consists of 7 elected SSOT members and up to three public representatives who are appointed by government.

### **Reasons to Join SSOT Council!**

Our profession relies on volunteers to do the work of self-regulation, work to increase access to appropriate occupational therapy services for Saskatchewan residents, and assert a strong voice with the public, employers, government, and other professional organizations. Serving on council provides many opportunities for personal and professional growth such as:

- Developing new skills, such as chairing and participating in committee and Council meetings.
- Learning more about professional regulation and contributing to SSOT's progress of protecting the public.
- Gaining experience with lobbying government and other stakeholder groups regarding the benefits and value of occupational therapy services.
- Remaining current regarding provincial and national issues facing occupational therapists.
- Networking and learning with/from professional peers.

### **What if I know nothing about being on Council?**

Don't let this stop you! For most people, serving on Council is a learning experience and provides an excellent opportunity to acquire new skills. Your fellow council members, as well as other SSOT members and staff are there to offer guidance, support, and mentorship.

## **How much time will this take?**

SSOT Council meets a minimum of six times per year between annual meetings. The council meeting location and dates are determined by the President based on Council member and staff schedules. Depending on your position, you may also be responsible for chairing or participating in other committees and meetings as well.

## **What If I Live in a Rural Location?**

You will be reimbursed for any reasonable expenses incurred during the course of your duties, such as mileage and accommodations as required. Although it is encouraged to attend council meetings in person, all council meetings, just like our committee meetings, are accessible by teleconference. **Note: Due to COVID-19, all Council and committee meetings are being held virtually until further notice.**
