

### Full or Part Time Occupational Therapist – Regina/Moose Jaw

If you're an enthusiastic OT professional who is eager to make a difference while achieving personal and professional growth, CBI Health Group has an exceptional opportunity for you to meet these goals, supported by one of the largest healthcare networks in Canada.

As an Occupational Therapist within our CBI Health Centres, you will be part of a dynamic multidisciplinary team and work both in a clinic environment and in the community, offering programs and services for physical and mental health conditions. Services in-clinic include cognitive rehabilitation programs, activation programs, return to work coordination, functional capacity evaluations, multi-disciplinary assessments and education. In the community there is opportunity to provide education, worksite evaluations, ergonomic evaluations and home assessments. You are a self-starter who enjoys working both independently and as part of a team, and you have the proven ability to deliver excellence in client outcomes.

Mentorship and training from an experienced Occupational Therapist locally is available to help develop your ability to provide a wide range of services.

### PRIMARY DUTIES

As an Occupational Therapist, you will:

- Work as part of a multidisciplinary team to deliver excellent client outcomes
- Provide assessment and treatment to a wide variety of clients with varying needs, including those with chronic and/or mental health conditions
- Provide home, worksite, and ergonomic assessments, functional ability evaluations, client education, and job coaching, as required
- Coordinate the return to work process with all stakeholders in a timely way, ensuring a smooth transition into the workplace
- Perform regular, timely charting, reporting and communication

### QUALIFICATIONS

To take on the role of Occupational Therapist, you must:

- Be passionate about your profession and committed to ongoing professional development
- Have community experience
- Be registered as a practicing member in good standing with the Saskatchewan Society of Occupational Therapists (SSOT).
- Thrive in a fast-paced, changing environment
- Be dedicated to providing the highest quality of client care
- Bring strong clinical skills in one or more of the following: complex orthopaedic injury, mental health, or vocational rehabilitation
- Have strong skills in critical thinking, decision-making and analysis
- Have excellent time management and organizational skills and be able to work independently

- Prefer working collaboratively within an interdisciplinary team
- Have excellent oral and written communication skills
- Be empathetic with an effective ability to build rapport with patients
- Be proficient in the use of Microsoft Word and Excel
- Hold a valid driver's licence and have access to a reliable vehicle.
- Be able to work both independently and as part of a team, and to facilitate our clients' needs by exceeding their goals.

#### About CBI Health Group:

CBI Health Group is Canada's largest provider of integrated community healthcare. For over 40 years, we have remained totally committed to improving the health and enriching the lives of Canadians. What sets us apart is our ability to work as a unified network dedicated to the ongoing learning that allows us to foster best practices, improve access to care and create better results for our patients. We organize our teams and services to ensure the right professionals and caregivers provide the right service, at the right time, in the right place.

In over 250 facilities, our services are provided by a dedicated team of more than 11,000 administrators, support staff and caregivers that include physiotherapists, occupational therapists, registered massage therapists, kinesiologists, chiropractors, speech-language pathologists, psychologists, physicians, nurses, dietitians and behaviour therapists.

The CBI group of companies includes CBI Health Centres, CBI Home Health, We Care Home Health Services, Monarch House, CBI Workplace Solutions, and CBI Assessment Services. Our expanding transitional and residential community care network now numbers more than 60 homes nationwide.

At CBI, our people really care and believe that by working together, we can aim higher and make great things happen every day.
