

Vision 2022

Saskatchewan Society of
Occupational Therapists

Vision Statement

To ensure that all occupational therapy services are promoting the function and independence of Saskatchewan residents.

SSOT Mission Statement

To protect the public through quality regulation of occupational therapy practice in Saskatchewan, to support the continuing competence of our members, and to promote awareness of occupational therapy services.

2019 – 2022 Strategic Objectives Summary

1. Quality Regulation of Occupational Therapy Practice

- ❖ Enhance public trust in occupational therapy regulation
- ❖ Stakeholders understand the regulatory role of SSOT
- ❖ Monitor and meet practice expectations and registration requirements

2. Ensure Competent Occupational Therapy practice

- ❖ Continue to develop and evolve the Continuing Competency program
- ❖ Provide education on best practice

3. Promote awareness of Occupational Therapy services

- ❖ Strengthen relationships with relevant stakeholders
- ❖ Collaborate with organizations to support OT-related research
- ❖ Review and develop a new professional image of the organization
- ❖ Continue discussions with relevant stakeholders about the need for an Occupational Therapy educational program in Saskatchewan

4. Effective Organizational structure & Governance Practices

- ❖ Explore options for optimizing functional organization practices
- ❖ Council decision-making to be guided by risk-management strategies
- ❖ Enhance stakeholder communication
- ❖ Increase organizational efficiency
