

Occupational Therapist, Occupational Therapist – Regina (Park Street)

Be empowered to go the extra mile!

If you're passionate about offering a holistic approach to care, this is your chance to do what you do best. Our interdisciplinary team means you can collaborate with a variety of team members – physical therapists, psychologists, kinesiologists and others to achieve amazing results and impact on our clients' function.

The health and safety of our staff is our #1 priority. As you care for others, CBI Health will care for you. CBI Health has safety measures in place to keep you, your family and your clients safe. Our approach to virtual care incorporates the use of advanced, secure virtual technology, and a full-service client concierge, to deliver effective treatment where you are able to connect directly with your clients to assist in their care as well as facilitate consultations. By joining our team, you'll be part of an award-winning company, who's recognized as one of Canada's Best Managed Companies, Platinum Member and Canada's 10 Most Admired Company Cultures. At CBI Health, we're dedicated to improving lives – from our clients to our collaborative team.

As an Occupational Therapist, you will have the tools you need to help clients return to the workplace and improve their quality of life. Throughout your career with us, you will continue to achieve your goals and work collaboratively with our team to go the extra mile for your clients. After all, our commitment to excellence goes beyond the way we serve our communities.

Take an inside look at what you'll do each day

- You will provide comprehensive, evidence-based, occupational therapy services to clients with physical and/or mental health impairments or conditions
- You will apply clinical expertise and professional competence in the assessment, intervention, consultation, case management, discharge planning, education, and follow-up of clients
- You excel in a collaborative, inter-disciplinary team environment
- You are known for exhibiting sound professional judgment

Here's what you'll need to be successful

- You are a graduate of a recognized School of Occupational Therapy
 - You are a registered member in good standing with The Saskatchewan Society of Occupational Therapists (SSOT)
 - You are passionate about your profession and committed to ongoing professional development
 - New Graduates are welcome to apply
-

What CBI Health can offer to you

We are proud of our friendly environment, supportive leadership and the knowledgeable team members who make it all possible. That is why we do everything we can to show our appreciation. Our training, mentoring and education programs will provide you with opportunities for continued learning – and support and guidance whenever you need it. At CBI Health, you will have the freedom to define your own career path through our many opportunities for growth and development.

Here's a look at our total rewards:

- Competitive compensation
- Comprehensive benefits and rewards package
- Flexible working hours
- Continuous learning and skills development
- Autonomy to explore and reach your career goals including the opportunity to progress to leadership

If you're committed to improving care for people across the country, you've come to the right place. We have more than 12,000 professionals working together to set the bar for best practices in the industry. For almost 50 years, we've flourished as an integrated network with a talented team of professionals just like you.

Join us at CBI Health - where working together makes great things happen!
